### Map Analysis

## **1880s & '90s: The "Cattle Kingdom"**

1. What three railroads were newly built since our last map?

- 1.
- 2.
- 3.

2. By 1890, all of the western state borders were set. And yet, there is still one state "missing". What state?

3. What do Cheyenne, Dodge City, San Antonio, and Denver have in common?

4. The only Rocky Mountain state in which a railroad does not actually *cross* the Rockies is ...

5. And why do you think that is?

6. "Goodnight-Loving" is an odd name for a cattle trail. Where do you think that trail got its name?
