## 'Colorado, or Bust!' Blueprints Guide

- Must be done in PENCIL.
- clean, precise lines USE A RULER
- Consult the scale guide on the assignment sheet and your reference photos for the proper dimensions for your building.
- Don't forget stove pipes!
- On the graph paper... 1 square = $1 / 4 \mathrm{in}$. 4 squares $=1 \mathrm{in}$.
- building type
- When done, bring blueprints to me, or email me a picture.
"COLORADO, OR BUST!" • JOHN SMITH
