# CWBB Project Checklist

Topic:

Group Members:

### Getting Started

- our group members have exchanged phone numbers and e-mail addresses
- we present in class on:
- we have checked with both our parents and our electives teachers and made sure that we have no conflicts that would keep us out of class on the day we're scheduled to present

# Gathering Your Research

- □ we have downloaded the GoogleDocs **CWBB Works Cited** template from <u>mrcushing.net</u>, and are using it to keep a running record of all the websites that we're using for our resrarch
- $\hfill\square$  all of our group members have access to our Works Cited page
- $\hfill\square$  we have located a minimum of **three** sources of information on our topic

# Producing Your Computer Presentation

- we have decided to make our computer presentation using \_\_\_\_\_\_ (software);
  if using something other than GoogleSlides, please see Mr. Cushing
- $\Box$  our presentation is precisely <u>SEVEN</u> slides in length; no fewer, no more
- $\Box$  our presentation uses the exact format shown on the chart on the back of this page
- □ we have large graphics, and text on <u>every</u> slide of our presentation (except the last one)
- $\hfill\square$  our presentation is bold and colorful, and the aesthetics compliment our topic

## Constructing Your Mini-Poster

- $\Box$  our mini-poster is **exactly 18 x 24 inches**, and is oriented **vertically**
- $\Box$  our mini-poster is the **same info** as our computer presentation, just physically reorganized
- $\Box$  our poster is professional looking, not should in appearance (no cardboard, visible tape, etc.!)
- $\hfill\square$  the names of all our group members and printed on the <u>back</u> of the mini-poster
- we know that our mini-poster is not part of our in-class presentation; it's for display in the hall

#### Organizing Your Computer Presentation & Mini-Poster

 $\hfill\square$  our presentation uses the following organizational structure  $\ldots$ 

	Tech. Strand	People Strand	Govt. Strand
Slide 1	Title of Presentation	Title of Presentation	Title of Presentation
	& Team Members	& Team Members	& Team Members
Slide 2	the physical features &	name of the group;	the name of the
	appearance of the	their physical appearance,	legislation or decision made
	technology	how many there were	by the government
Slide 3	how the technology	some specific people who	the reason or motivation
	functioned	belonged to this group	thatresulted in the decision
Slide 4	who developed the	the beliefs and	how the decision was
	technology	motivations of the group	implemented or carried out
Slide 5	when & where the technology was put into use	the actions taken by this group of people	the reaction of the population to the decision
Slide 6	how the technology impacted the war	how the actions of the group impacted the war	how the actions of the govt. impacted the war
Slide 7	"The End"	"The End"	"The End"

### Rehearsing Your Presentation

- $\hfill\square$  our presentation doesn't have built-in audio, so we plan to read it out loud in class
- we have **rehearsed** our presentation \_\_\_\_\_\_ times
- $\Box$  we have **timed** our presentation to ensure that it falls between 3 minutes and 5 minutes
- $\hfill\square$  we have actually test driven our presentation on the CLASSROOM'S computer

#### Final Touches

- $\hfill\square$  we have printed out a  $\hfill \mathsf{PAPER}$  copy of our Works Cited page
- $\hfill\square$  we have ensured that our Works Cited is **MLA formatted** \*
  - \* bibliographies that are not MLA formatted will not be accepted, and will prevent the group's entire project from being graded
