### Map Analysis

## **1800: A New Century**

1. This map represents the United States in what year?

2. How many states were there in this year?

3. Who was the president in this year?

4. The new states of Kentucky and Tennessee were the

first trans-\_\_\_\_\_ states.

(the prefix "trans-" means "over, or "beyond")

5. Eight British forts; only one Spanish. Give three reasons that might explain this discrepancy.

a.

b.

c.

6. How do you suppose the land that is disputed between the U.S. and Great Britain would finally be resolved?
