Unit 1 Quiz

1. Log into **Quia**, and re-open Quiz 1.

See page 3 of your Class Infographic for instructions.

2. What **grade** did you earn? _____

If you were absent for the quiz, put "AB" for both the grade and percentage, and skip to #11.

3. What **percentage** ...? _____

4. Using the chart below, record how many points you **LOST** for every question on the quiz.

Every white box in the grey field should be filled with a number.

If you lost zero points on a question, write in a "0".

Quiz Question Number															Total Lost Points	Quiz Question Type	
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15			
																	multiple choice
																	maps
																	matching
																	vocabulary
																0	multiple correct

																	visual ident.

5. For each row in the chart, add the numbers in that row, and put that sum in the "**Total Lost Points**" box at the end of the row.

6. Open your **Assessment Tracking Sheet** in your Google Drive, and record the grade and percentage that you earned for this quiz.

7. Looking back at the chart on the front of this sheet... which question type(s) seem to pose the biggest challenge for you?

8. Which of the following are true of your performance on this quiz?

I didn't finish the New Century map in time for the quiz.

I didn't have all my lecture notes for this quiz.

I just trusted my instinct, and didn't bother to verify my answers with my notes.

I rushed through the quiz because I had other things I wanted to do.

none of these apply to me

9. Are you **PROUD** of your performance on this quiz? And would you be satisfied to score similarly on future quizzes?

10. If you are not proud, what could you do on the next quiz to improve your performance?

11. Make-ups and retakes for **Quiz 1** will be administered during **Tuesday Study Hall**. To submit a request for a retake, or make-up go to:
