# Unit 9 Quiz

"I didn't take Quiz 9." *Take this sheet back to Mr. C.*

1. Log into **Quia**, and re-open Quiz 9. *See page 3 of your Class Infographic for instructions.*
2. What **grade** did you earn? \_\_\_\_\_ What **percentage ...?** \_\_\_\_\_
3. Using the chart below, record how many points you **LOST** for every question on the quiz.  
Every white box in the grey field should be filled with a number.  
 If you lost zero points on a question, write in a "0".

Quiz Question Number																		Total Lost Points	Quiz Question Type	
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18			
																				multiple choice
																				matching
																				map
																				true or false
																			0	multiple correct
																				sequencing
																				short answer
																				fill-in-the-blank
																				visual identification

4. For each row in the chart, add the numbers in that row, and put that sum in the **"Total Lost Points"** box at the end of the row.

5. Look back at the chart... Which question type cost you the most points? The second most?

6. Which of the following are true regarding your performance on this quiz?

- I didn't finish the Conquest of the Plains map in time for the quiz.*
- I didn't have all my lecture notes for this quiz.*
- I just trusted my instinct, and didn't bother to verify my answers with my notes.*
- I rushed through the quiz because I had other things I wanted to do.*
- none of these apply to me*

7. Are you **PROUD** of your performance on this quiz? And would you be satisfied to score similarly on future quizzes?

8. If you are not proud, what could you do on the next quiz to improve your performance?

9. If you wish to attempt a **RETAKE** of **Quiz 9**, see Mr. Cushing for instructions.
